

YOUTH SUMMIT AND NETWORKING EVENT: WHAT ABOUT YOU?

Presented by: Region 4 Youth Council and Kokomo Area Career Center

Our goal was to educate high school youth in the Kokomo area about career and technical education opportunities and career pathways that are available in their community and prepare them for success in the workforce.

The Summit offered youth the opportunity to learn about the skills employers' value and jobs and/or internships available in Kokomo and surrounding areas. Students attending the Summit had the opportunity to meet with employers and attend pertinent workshops.

On February 17 and 18, over 400 KACC students in grades 8-12, attended pre-event workshops where we worked with them on building their resumes. We met with KACC students again on March 24 and 25 to discuss Networking and Dress for Success. 200 KACC students in grades 10-12 attended the Summit.

Below are Employers who participated in the Networking Session and Event Sponsors:

Employee Networking

Bona Vista
Carpenters Apprenticeship
Carter Fuel Systems LLC
Chrysler
City of Kokomo
Community Howard Regional Health
